

# DUTCH NETWORK SPAIN

All successful business starts with exposure and brand awareness in international markets. Bring your company to a higher level, and let us display you and your company in our professional magazine to be seen by your target group.

Join **Dutch Network Spain** in their business magazine, and reach many readers and professional organisations in Spain and other European markets.

**Dutch Network Spain is the biggest business network between the Netherlands and Spain.** We bring you in contact with your fellow entrepreneurs and future clients, who see opportunities the way you do.

## Why you should present your company in our magazine:

- By being in our magazine, you can find by new clients, new contacts and Dutch companies with whom to do business. DNS will help you grow your network and find the right match. Your new network will help your business grow.
- By being in our professional network, you will learn more about meetings, business training and seminars. You will be invited by the contacts that matter to help your business grow.
- Who is this for? This is an opportunity for anybody who takes their business seriously and wants to be successful in international business, particularly for entrepreneurs and companies who want to be presented as a Dutch company in the international Spanish market.
- Dutch Network Spain works closely with all Dutch business clubs in Spain, including the Dutch Embassy Madrid, NBSO Barcelona, the Spanish Embassy in Den Haag and the Chamber of Commerce.

**DNS works together with EuropeanLife magazine for more exposure in many distribution channels and social media platforms.**
